Profile

A Computer Science Student at the University of Yangon (YU, the Top 1 University in Myanmar) studying Bachelor of Science in Computer Science (BSc. Computer Science). A tragedy, the COVID-19 pandemic happened on the 4th night of our Final Year 1st Semester Exam and the Military Coup followed. Despite these obstacles, continuing my Education Journey by Challenging my Potential to its peak honoring the University that carries me to the wisdom, knowledge, and experiences required for my academic and professional growth will be my goal.
